## **January 2023**

Thank you for being a Friend. Because of you, our library can support our community with activities for both children and adults. We have a summer reading program, afterschool arts and craft classes, yoga, and more. Your dollars pay for more books on the shelves and much needed library supplies. Thank You!

### **WE NEED YOUR DONATIONS!**

Please participate at our Drive-in Book Donation Event: Saturday, January 14, 10am – 2pm held at the King's Market Shopping Center, 1425 Market Blvd. Suite 1380 (between Rasa Sayang and McAllister's). You can also leave donated books at the FERL bookstore in the East Roswell Library donation bin during library hours.

## Did you know:

- Did you know that our East Roswell Library is #6 in circulation in the entire Atlanta Fulton County Library 34 branch system? Did you know that the total staff of our East Roswell Library is 4, including the branch manager, Swalena Griffin, covering library hours 6 days a week?
- Did you know that the library holds art classes for adults and craft classes for children, as well as cooking and yoga classes?
- Did you know that storytime for pre-schoolers is every Wednesday morning at 11:00 AM?
- Did you know that the most popular books that we checked out this year were: *The Secret Patient*, *Where the Crawdads Sing*, and *the Midnight Library*?

**What's popular at the library now?** Digital books became more popular during the pandemic. The movie section is popular and the selection is huge. If you are interested in genealogy, you can access Ancestry.com while at the library for free!

**Best Bargains around!** Don't forget to stop into our self-serve used book store, just to the left of the entry. The prices are great and you're sure to find a bestseller you've been looking for. All funds go to the library to support their various activities.

**What else?** The library also has a conference room that is available for community groups, such as H.O.A.'s, sewing or craft groups, Boy and Girl Scouts, etc. The only requirement is that the groups are non-profit and one member must be a card holder of the Atlanta-Fulton County Library.
