## START A NEW CHAPTER

The Year of the Book campaign celebrates the power of reading to connect, inspire, and transform lives.

Throughout 2026, Fulton County Library System will create community through shared stories and reading experiences, bringing us together.

Each month features a shared theme designed to spark curiosity, conversation, and connection through books.

Join in by reading theme-inspired books, attending special programs, exploring curated displays, or participating in reading challenges—online or in person.
